## THE PYRAMID OF THE PAST

The second of the pyramids is inverted. Its downward point penetrates into the innermost depths of the ocean of the human psyche, the human unconscious, the collective unconscious, the world spirit, the ocean of the transcendental wisdom of the Buddha.

The pyramid works downwards from card number 22 to card number 44. This pyramid is a continuation of the pyramid of the future. LEVEL NUMBER ONE: The immediate past, the causes of the future. LEVEL NUMBER TWO: The further past. The deeper causes of the future.

LEVEL NUMBER THREE: The unconscious. The age of teens. LEVEL NUMBER FOUR: The drives and childhood.

LEVEL NUMBER SIX: The world spirit. The original genes and cells. The root cause of human life, containing its final conclusion. Both pyramids supplement each other. Each one card position in the lower pyramid represents the root cause of the event, indicated by the appropriate card in the corresponding position in the upward position, the pyramid of the future. In this particular system, we establish the unity between past and future and learn to enter the dimension of circular time.
